

CEAP WEEKLY NEWS From Ms. Huggins & Ms. Rae

Hello CEAP Parents/Guardians,

Feedback forms for the 2016/2017 school year are on Ms. Huggins desk. Please fill one out and leave it in the envelope.

Jump Math and Math Makes Sense for grade 1-7 are on the blue table. Please choose which program you would like to use in the 2017/2018 school year and write it down on the sign-up sheet so we can make sure to have it available to you. Feel free to research these two programs and ask teacher any questions that you have.

Primary student (K-3) will have a Crossfit class on May 30th. Maggie from Qualicum Crossfit will be coming to CEAP at 11:00 am and we will be active for about 45 minutes. If you have not filled out a Crossfit waiver yet please do so as soon as you can. **Students are not allowed to participate if they do not have a waiver signed prior to the class.**

The Trades Trailer will be at CEAP on Tuesday May 30th from 12:00-2:00. This is for grade 4-7 students only (no younger siblings). Students will get to see trades in action and get to build a project with the instructor. Please let Ms. Huggins know if you are able to attend. There are still a number of spaces available.

The end of the school year is nearing and CEAP elementary programming is beginning to wrap up. We will continue with interaction days until mid-June but the rest of the programming will come to an end in order to fit in all of the portfolio reviews. Thank you for your understanding.

Ms. Huggins & Ms. Rae
