Explain why you feel TIDES would be a good fit for your child. Share with us their passions, interests and learning needs:

Describe your child's ability to work independently. Use examples from extra-curricular activities, tasks at home, or projects at school.

Explain to us how you think your child would adapt to taking their learning outdoors? How would they engage with outdoor inquiry projects?

Is your child currently on an IEP, or have a learning difficulty? If yes, please provide background information:
