Hello to NBES families,

Reuben and I would like to thank all of the staff at NBES for their work this week and in the coming week to help prepare for the start of this school year. We also appreciate the questions, conversations, patience and support from all of you as we are working together to try and make this as successful as we can in regards to a start up for our kids.

This is just a reminder that half the students will be coming on September 10<sup>th</sup> and 11<sup>th</sup> to allow teachers to familiarize students with the new protocols and expectations to help ensure a successful start to the year. The day will be a full day for students starting at 8:12 and finishing at 1:30.

September 10<sup>th</sup> is for students in **Grade 1-7 Surname A-L**

September 11<sup>th</sup> is for students in **Grade 1-7 Surname M-Z**

On the September 8<sup>th</sup> and 9<sup>th</sup> staff will be collaborating on the cohort and home support model, preparing their classrooms in regards to the new protocols and will be contacting you to let you know who your child's teacher will be and will be forwarding more information regarding our protocols and home support for those who have requested it.

Our Kindergarten students, as usual, will have a gradual start and the return dates will be confirmed with Kindergarten parents as soon as possible.

Again we appreciate your support and look forward to seeing everyone next week!
