Dear Parents,

I hope this email finds you well. I am thrilled to share with you the fantastic news that our recent Carnaval de Quebec was a tremendous success! The festivities were filled with joy, laughter, and wonderful memories for our students, staff, and parents alike.

I want to extend a heartfelt thank you to all the parents who generously volunteered their time and energy to make this event possible. Your support and dedication truly made a difference, and we couldn't have done it without you. Additionally, I want to recognize and express gratitude to our Grade 8 students who contributed their efforts to the success of Carnaval de Quebec. Your hard work and enthusiasm were truly appreciated.

Looking ahead, we have an exciting week planned, with our focus on the upcoming Pink Shirt Day assembly on Wednesday, February 28th, at 11:00. This assembly serves as a powerful reminder of the importance of kindness, empathy, and standing up against bullying. We encourage all students to wear pink shirts on Wednesday to show their support for this meaningful cause.

In addition to the joyous celebrations, I want to remind everyone about the importance of health and safety, especially during this time. As you may have seen, we recently sent out a newsletter regarding respiratory illness hygiene and our school's policies regarding children staying home when they're feeling unwell. Your cooperation in following these policies is greatly appreciated as we strive to maintain a healthy environment for all.

Once again, thank you to everyone who contributed to the success of Carnaval de Quebec, including our Grade 8 students, and let's continue to work together to make our school community a vibrant and welcoming place for all.

Sincerely, Lesley LaCouvee EOES Principal
