Springwood families,

This coming fall we are approaching school supplies in the same way as last year. A one-time school supply fee of \$50 for all students in grades 1-7. We will continue with this process for fall 2023/2024 and the years to come. Families with Kindergarten students coming in the fall will be contacted separately closer to September.

In order to help families and support the students with their learning, we feel this system is the best approach. This will cover all supplies for the year.

Our hope is that this will streamline things for families getting ready to go back to school in the fall. Teachers will get the supplies they truly need. What one teacher needs for supplies another may not require. This will also provide consistency for the students as everyone will have the same good quality of supplies. With the schools access to various vendors we are able to provide this for students in a very cost efficient way. With the cost of living going up some of the school supply lists can run as high as \$90.

We will open up School Cash Online Mid-August for payment with a due date of September 30th. Families can pay the fee online, cash or cheque.

If you need financial assistance, please contact the front office or Principal, Jesse Witte.
